If you will be camping with us at the Buck Wild Ranch, please keep in mind some things you will need:

**Sleeping bag or throw blankets** The ranch is located in rolling hills of mid-west Maryland. The temperature should not fluctuate extremely from day to night. However, pack comfortably.

**Tent** A tent large enough to house you and/or your traveling group for the night.

**Towels** Please bring your own towel. Ranch-style showers will be available for all students and guests.

**Appetite.** There will be more than enough food during the Saturday night cookout and Sunday morning breakfast. Saturday lunch will more than likely be pizza delivered from a local restaurant. Family and guests of the students are welcome to enjoy the school supplied dinner and breakfast. However, the cost of meals for those not paying tuition to the school will be \$15.00 per person per meal. (children 12 and under -\$10.00)
